

INTERNAL USE ONLY

Journal - Office of Legislative Counsel
Monday - 6 November 1967

Page 2

6. (Unclassified - GLC) Checked with James Gehrig and Charles Ducander, of the Senate and House Space Committees respectively, to determine whether either of these Committees had been briefed by NASA or anyone else on the subject of the Soviet FOBs. Both of these staff men said that neither they nor their Committees had received any briefings on the subject. STATINTL
